

Hi,

My name is MD Sifat Hossen and I am a student of BSc in CSE department at Royal University of Dhaka. This is my last year of BSc. I need a part-time or full-time job now. I have a lot of experience in Graphics Design, SEO, Digital Marketing, CPA Marketing, Data Entry, Python and Website Design. And I am also Certified in Graphic Design and Digital Marketing. I do Keyword Resource, On Page SEO, Off Page SEO, Article Writing, Competitor Analysis in the SEO field. In other fields, I do Business Cards Design, Flyer Design, Brochure Design, Logo Design, Book Cover Design, Banner Design, Book Design, Interior Design, Landing Page Design, App Design, Social Media Marketing, Database Ready, Data Processing, Data Science, MySQL. I have also knowledge of WordPress and Blogger. This is my all-skill discussion. But I mainly work now in Graphic Design and SEO in the last 3 years. I will try my best for my project done.

Thanks!
